

## Durham Medley Challenge Nov '22 – Meet our Medley Champions!

The weekend's competition proved to be another hugely successful event for our Dolphins swimmers, as they battled against 10 other northern clubs in Durham City's annual Medley Challenge.

The event saw our youngsters go head to head across all four strokes, to win a coveted place in an age group medley final. After some strong performances and a ream of personal best times, we managed to secure a finals place in 6 of the 7 age groups competitions that we contested!

After some exciting swims, we were crowned champion in the Girls' 10 years age group with a further 2 silver medals, 1 bronze, one 4th and one 6th place in hotly contested finals against some of the best swimmers in the region.

Congratulations go to:

Matilda Wilson (10) Gold medalist and 2022 Medley Champion

Danny Patience (11) Silver medalist

Sandy Brown (12) Silver medalist

Andrew Batley (11) Bronze medalist

Finn Orr (10) Finalist - 4th place

Tiff Jones (17) Finalist - 4th place

William Oliver (13) Finalist - 6th place

And a huge well done also to Ollie Hall, Mary-Anne Owen, Emma Owen and Eliza Hodson who all achieved numerous personal best performances including qualification times for the upcoming Northumberland and Durham County Championships in February. It was a fantastic day all round, and another successful day of competition for our swimmers.
